10th December, 1913

Gentlemen, Re Marvin E. Burns to British & American Mortgage Company. (Your Ref. 13485 D/S.)

Referring to your letter of the 4th ultimo, and to my acknowledgment thereof of the 5th of the same month, I beg to say that the application for homestead entry for the N.E.¼ of section 34, township 52, range 7, west 4th meridian, which was made on the 10th September, 1909, was signed. as was his application for patent for the said land which was made on the 17th September, 1912, "Marvin Burns", and not "Marvin E. Burns".

There is no doubt, however, that Marvin Burns, the patentee of the land above described, and Marvin E. Burns, to whom the mortgage to the British & American Mortgage Company, Limited, dated 22nd October, 1913, referred to in the declaration made by Marvin E. Burns, dated the 7th ultimo, which accompanied your letter under reply, are one and the same person. I may add that, while Mr. Burns' application for patent is signed, as already stated, "Marvin Burns", Mr. Burns in reply to the question, "What is your name in full ?", answered "Marvin Elwin Burns".

A copy of this letter is being sent to the registrar at Edmonton, in the hope that the information therein contained will be found sufficient to enable him to register the mortgage in question against the land patented to Mr. Burns. If, however, it is desired to have the patent cancelled and a new one issued, it will be necessary

O'Connor & Co[illegible],

necessary to have the letters patent returned to this Department, unless the Registrar advises the Department that he will accept the cancellation of such patent upon a certified copy thereof, as is sometimes done in cases where the original patent cannot be returned to the Department; in which case steps will be taken for the cancellation of the original patent and for the issue of a new patent relating back to the date of the original grant in the name of Marvin Edwin Burns. This course will necessarily take a couple of weeks after the Department is in a position to proceed with the issue of the letters patent, as in all such cases a special draft patent must be obtained from the Department of Justice.

Mr. Burns' declaration, above referred to, and that of Mr. Keith Alan Maughan, dated 5th October last, are returned to you, herewith, enclosed.

Your obedient servant,

Controller.

MEMORANDUM:

Referring to the attached letter from Mr. W. T. Stinson,

The conflicting claims of Messrs. [illegible] and W.P. Heath to that portion of Sec. 1--17--17 W. [illegible] lying north of the Red Deer River have recently been very carefully examined and the facts, so far as they can be ascertained from the papers in the Department, are submitted by me to Mr. Corry on the 1st of October last and he decided that Mr. Glass had established a claim to the land and that it should be granted to him.

The local Land Agent at Calgary and the parties interested were notified accordingly.

I think it possible, from the tenor of Mr. Stinson's letter, that there was collusion on the part of the case: all the information at hand goes to indicate that Mr. Heath took an unfair and most reprehensible advantage of the absence of Mr. Glass, in order to secure the land and obtain possession of the land. It can easily be conceived that Mr. Glass, who has expended a very large amount of money on and in connection with the land, would return to England with the intention of remaining there for some months, as he has stated to Mr. Heath.

There are full and detailed statements filed in the Department both by Mr. and Mrs. Glass respecting their claim, by which it appears that they were compelled to leave the country on account of serious illness which necessitated medical treatment, and that Mr. Heath was permitted to occupy the premises on payment of a certain rental.

I feel quite satisfied myself that the case has received all the attention that it is entitled to and that a proper decision has been arrived at. If, however, you consider that in view of Mr. Stinson's statements, the case should be reopened, I would suggest that all the official papers be forwarded to Mr. J. W. Martin, Assistant Inspector of Agencies and that he be instructed to make a careful investigation and report.

Respectfully submitted,

Dear Sir

With reference to your letter of the 1st February 1909, File No. 44348 & 119536 to the Agent of Dominion Lands, Calgary, in which you tell him that I have written to the department stating that I wished Mr. Bryce Bunny to accompany the Inspector out to my place so as to represent me, I may say that I have just received a letter from Mr. B. Bunny in which he states that he would rather not go out to my place & be mixed up in the affair; I also sent him out money to insure the place, as he is an Insurance Agent, he also refuses to do this, why he should do this I cannot make out, only he says he does business with this, Mr. Heath. I am at a loss to know what to do; I am very sorry that this should happen just at this time, but if the Agent of Dominion Lands, Calgary, would drive me to either Mr. D. C. Wade, Poplar Coulee Red Deer River, Gleichen, or Mr. H. Lee Lethbridge Post Office, Red Deer River,

saying when the Inspector would
for one of these gentlemen to meet me
my place, as it would be too far for
to drive to either of their places, so that
could verify my statements & sketch, in the
meantime I shall write these gentlemen so
that they can be prepared. Trusting that
this will be alright

Dear Sir

I take the liberty of writing you at this time with reference to the letter & papers which I sent you last 18th February regarding my ranche, not having heard from you up to the present date. I thought perhaps they had gone astray, but hope not. I might I ask you while writing if there has anything further been done with regard to the signing of the papers before the Justice of the Peace over here, for the aforesaid ranche? I know you will be anxious to have every thing put right, & so am I so trust I may hear from you favorably.

My wife wrote to you some time in February with regard to her lease, as the second payment would be soon due, it was with reference to my ranche being on the North East 1/4 Section [illegible]

West of the 4th Meridian, & which ¼ Section is given to her in the lease, she wanted to know what was to be done regarding it? she is very anxious to have as we are wishful to keep the lease on. Trusting I may have a favorable reply from you in both cases

It is observed that the area reserved for a roadway from the letters patent issued for the above mentioned quarter section is in excess of that to which the province is entitled without paying compensation, to the extent of 2.83 acres. The area excepted from the grant is 4.9 acres, whereas the area to which the province is entitled, without payment compensation, is only 2.07 acres, that is, 2/5 of the total area of 82.9 acres. It is presumed that you will see that Mr. J.S. Whitefish, Clandonald, Alberta, is compensated for the above mentioned excess area of 2.83 acres.

I may add that a copy of this letter is being sent to Mr. Whitefish.

Sir:

Re Frl. S.E. 30-53-5-W. 4th M.

I beg to acknowledge receipt of your letter of the 19th ultimo, file No.29091, relative to the roadway through the above mentioned quarter section and to say that it appears that some misunderstanding exists as to the area reserved from the letters patent issued to Mr. J.S. Whitefish.

Kindly refer to my letter of the 30th May last and it will be observed that an area of 4.9 acres was excepted from the patent, that is, the whole area required for the road in this quarter section. The area in excess of the 2.05 is 2.85 acres for which the patentee is entitled to compensation and this area is reserved from the patent, being included in the 4.9 acres.

Hon.[illegible].

Dear Sir:-

Yesterday I received a letter from [illegible] about north east quarter of the Partition. Seeing [illegible] when I first visited that land it looked like good one for cut [illegible] day I saw it last year. As there were a number on it, and the quarter east of it, also later by friend Mr. [illegible] about two tons of hay adjoining I wrote to the local officials to learn if any person had either a grazing or hay lease on any of that land. I received answer [illegible] that there were no leases to be found in that locality. I established [illegible] Grain location and on opposite side of the river, etc. I returned to Glos and notified the local officials, of purpose of settling on the said land, Aug. 13 I learned that person — were running a steam [illegible] that township, getting scrip of two of my near there I addressed a letter, to the person of the 0.S. [illegible] which, about the matter I prefer not to disclose unless necessary. I [illegible] in person with that matter. I wrote notice to all claims on the two quarters. Please find out [illegible] "trail" so that the parties [illegible] two of the notices were placed in the "trail" so that the parties could not [illegible] give [illegible] on the records without seeing the notices.

Again to the possibility of [illegible] the mountain with [illegible] existed, and those of Mr. Russell [illegible] to the cliff [illegible] to exist a better or small [illegible] the lands [illegible] the above [illegible] stone [illegible] found that [illegible] and a [illegible] of stone on both of our [illegible] larger one [illegible] of our [illegible] and [illegible] sacrificial [illegible] cost would be [illegible].

Questions.

1.Have we no remedy left we can put hay from the stacks after all winter while there is a [illegible] tons of hay in stacks on our forest steads cut by men who had no lease or the hay thereon

2.Could the Department of the Interior make the right to sell this hay to us

3. Will you accept the lease price on the hay from us?

These men have at our notice, complied in that they cut them. It cannot be to even to [illegible] on our land that was cut and not stacked.

If we can get within like our own [illegible] to do without becoming complainants against a stack for which [illegible] for three years on Government lands head of cattle and cut it for them for three years on Government lands without offering to pay for it.

However we want to do only that which is right.and all of that.if need be.

I have,since the snow,removed logs and [illegible] nearly a mile and some still [illegible] of trees that can fall conveniently [illegible] out some still [illegible] one way.and with [illegible] of the snow,and could [illegible] all [illegible] of hay. We were [illegible] our hay [illegible] to get [illegible] of hay. We were [illegible] matter.If you want the [illegible] or [illegible] the [illegible].

I have to state [illegible] acres of [illegible] on the [illegible].

Yours respectfully.

[illegible]

[illegible]

Dear Irs

I discovered a new coal [illegible] miles below your ranch..
I want to open a coal mine this fall and furnish the world with
coal this fall and winter. [illegible] centers in the
mine ,and I have a [illegible] to [illegible].
We will need the rest of the land. [illegible] to
[illegible] all the [illegible] and offers. I will come out
next week and put up [illegible] where our land is
so we will be ready to mine [illegible].

is received. Many thanks for
since I have finished putting in a
crop of grain roots to feed our stock
the coming winter I tried to return
this mark to my place. But the
roads are not cut out, & the streams
not bridged, except our own private
bridges & these latter have all been
taken out this spring by high
water, & the big Red Deer river is too
high to be forded as we cannot
reach our homesteads before the

will also write to the Homestead

Dear Dr. Clark:

Referring to the letter from Mr. S.W. Gamble, of Eagle Hill, Alberta, which you referred to me some days ago, with regard to his pre-survey claim to the South East quarter of section 27, township 31, range 7, west of the 5th Meridian, I beg to state that this matter was referred to our Homestead Inspector for report sometime ago but the same has not yet been received. I notice that Mr. Gamble applies for the fractional portion of this quarter section lying South of the Red Deer River as a homestead, and also for permission to be allowed to purchase the South half of the adjoining fractional South West quarter. He claims that he has been in occupation of this land since the month of September, 1907, and that he has made the necessary improvements to entitle him to patent. While a statutory declaration given by a squatter before a surveyor

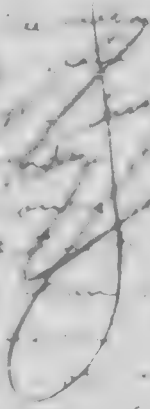

is

Dr. A. Clark, M.P.,

is sufficient for the purpose of granting entry to the claimant, it is not sufficient for the purpose of issuing patent, and it is on this account that we have placed the matter in the hands of our Inspector so that the facts with regard to the case may be ascertained definitely, and should it be found that Mr. Gamble has actually performed all the necessary duties to entitle him to patent, no time will be lost in having the same issued. I must add, however, that it will be necessary for me to await the receipt of the report before I can decide whether Mr. Gamble's application to be allowed to purchase a portion of the adjoining quarter section can be favourably entertained.

Yours very truly.

Sir,

Referring to your letter of the 22nd ...r last, I beg to inform you that after having ...r case before me for consideration, it has been decided to allow you thirty days within which to ... homestead entry for the N.E.¼ of 12--1-- /---. 5th meridian. It was also been decided to permit you to purchase the N.E. of 27 in the township mentioned at the rate of $3.00 per acre, title to this land to issue subject to your completing the requisite settlement duties in connection with your homestead entry.

The fee of $10 paid for the investigation of ...¼ of 27 will be in lieu of:- one-quarter in case you ... in three equal annual instalments with interest at six per cent.

I am glad that the residence you have already performed upon the fractional quarter-section first referred to, could not count to your credit in connection with your homestead entry for the N.E. of 12--31--7--. 5th meridian.

[illegible]:-

Mr. Hume.

re N.W.¼-22-31-7-W.5th M.

Question:- Is Mr. Samuel J.Gamble to be credited with residence prior to date of his entry?

The facts of the case are as follows:-

Mr. Gamble squatted on what he supposed was the North East 1/4 of Section 22, Township 31, Range 7, West of the 5th Meridian, on the 7th September, 1907, and executed a statutory declaration before Mr. T. A. Green, D.L.S., on the 5th December, 1910 to that effect.

Mr. Gamble found, after survey had been made, that he was in residence on the fractional South East 1/4 of Section 27, in the same township, whereon he erected his buildings and made certain improvements.

It was decided, under these circumstances, to permit Mr. Gamble to acquire the North East 1/4 of Section 22, as a homestead, and to purchase the South East 1/4 of Section 27, subject to obtaining patent for his homestead.

On being advised of the decision, Mr. Gamble was informed that he would be allowed no credit for the residence performed as a squatter.

Mr. Gamble writes in reply and states that he considers that he should be allowed to count the time.

Mr. Gamble was, without doubt, in ignorance, prior to survey, of the fact that he was in residence on the North East 1/4 of Section 22, and as his residence, therefore, on

the

the South East 1/4 of Section 27, was done
fide, I think that the Department should per-
mit him to take credit for the time in con-
nection with his homestead entry for the
North East 1/4 of Section 28.

Respectfully submitted,

H.H.

[illegible]

[illegible]

re. L. [illegible] 11-31-7-west of 4th.
which Mr. [illegible] Gamble has
been permitted to [illegible]

Commissioner, referring to the endorsement of the
in connection with this matter asking what culti-
vation Mr. Gamble has either on the above des-
cribed land or upon the south east ¼ of section
17 in the same township, also what improvements
have been made and the number of stock owned, I
beg to report that, according to the information
on file, Mr. Gamble would not appear to have any
cultivation done (the land is apparently not fit
for agricultural purposes, being in the hills
overlooking the Red Deer River) but he appears
to have been the owner of a certain number of
cattle in each of the years since 1910, for in
several letters to the Department he makes refere-
nce to his desire to acquire this land to graze
his cattle on. Prior to 1912, however, he makes
no definite statement as to the number that he
owns, but in a letter dated the 30th of April, he
claims the following cattle, during each of the
years mentioned;

1910--[illegible] head of cattle and 2 horses.
1911--34 head of cattle and 4 horses.
1912--[illegible] head of cattle and 4 horses.

In the same letter he goes on to say
that in April 1911, the forest fires burnt
property as follows;

[illegible] 1 A.S. value [illegible]
Barn 14 x 30, value 150.00
18 rods of fencing, value 72.00

[illegible] improvements

These improvements would indicate that Mr. Gamble was prior to survey a bona fide stock raiser and would, under these circumstances, apparently be entitled to favourable consideration in the matter of being permitted to earn patent for his homestead, under the Stock Regulations.

The evidence on file clearly goes to show that this land is unfit for anything, but cattle raising, in view of which it will probably be impossible for Mr. Gamble to perform any cultivation.

Mr. Gamble states that he now has comfortable quarters for some 45 head of stock and intends to erect another barn 16 x 30 with a shed thereto 16 x 60.

My former memorandum dealt with the question of permitting Mr. Gamble to take credit for the residence performed in error prior to survey on the south east ¼ of section 27. A doubt had been raised that Mr. Gamble did not act in a bona fide manner in this respect and that he may have been aware of the fact that he was not upon the North east ¼ of Section 27.

As casting some light on this point I beg to note, the following letter written by Mr. Gamble in August 1907.

> "I have this day squatted upon, as
> "I am entitled, a ¼ section in an unsurveyed
> "township. It is presumably the north
> "east ¼ of section 27, township 31, range
> "7, west of the 4th, principal- I expect
> "to establish immediate residence upon and
> "occupancy of said land.
> I further expect my sons and sons in
> "law to do likewise in that neighborhood
> "in the near future."

Your reference 9239.

This is a case similar to others which have been before the Department recently, in which a quarter before survey finds himself at the time of survey to be on the fraction 1 quarter section. Under the fractional quarter section entering for a full quarter section adjoining, and then wishes the Department to allow him the time when he made entry previous to the time when he made entry for his homestead.

This case was very fully gone into in July last, and Mr. [illegible] ruled that residence in the vicinity cannot be allowed in the case of a quarter's claim prior to survey. It has, however, been decided in other cases of a like nature to let the quarter transfer for his homestead entry so as to cover the fractional quarter on which he was living, plus sufficient area of the quarter which he was intended. It seems to me that the same rule might be applied in this case; that is, that Gamble might be allowed to transfer his homestead entry.

Reserved for timber.

You ask for a report in regard to this case, your reference 4[illegible]7 attached.

The above-described sections are apparently reserved for timber, the particulars in this regard being on file [illegible], which unfortunately cannot be found.

Mr. [illegible] . Gamble's original settlement application was dated October, 1[illegible], but it [illegible] 1907, and stated that he had passed over the . . of [illegible]--[illegible]--7-- . 5th Meridian, but that when the survey was completed it was found that the actual position of the said Deer River in fact commenced.

Mr. Daniels' application, dated the 5th December, 1911, sets out that he lived [illegible] on the S.E. . . of 27 [illegible]:-

[illegible] Oct., 1907, [illegible] June, 1909,
July, [illegible] December, [illegible],
April, [illegible]
1st August, 1[illegible], to 5th December, 1[illegible].

In a letter, dated 8th August, 1911, to the Timber Inspector, Mr. Gamble says he is allowed to have cleared the fractional S.E. . of 27 and some 4 acres of the . . of 22 to make a hay meadow in the fractional

area

area of 160 acres. See Commissioner's letter, dated 5th September, 1911. (Marked).

In a letter, dated 2nd February, 1912, Mr. Gamble reverses his application and asks to be allowed to make homestead entry for the S.E.¼ of 22 and to be allowed to purchase the S.E.¼ of 27 at $3.00 per acre on the understanding that at the time when the S.E.¼ of 27 should cease to his advantage as homestead duties in connection with his homestead entry for the S.E.¼ of 22.

In a report, dated 1st February, 1912, Homestead Inspector [illegible] to the credit of Mr. Gamble with the following residence:-

7th [illegible],
1st [illegible],
1st [illegible],
1st [illegible],
1st [illegible].

The improvements consisted of a [illegible], stable [illegible], fencing [illegible], cultivation [illegible].

The Inspector also states that Mr. Gamble had a number of cattle [illegible] September, 1910.

You will note that Mr. D.A. Henry, in the letter attached, makes the following statement:-

"The [illegible] old
"Meridian as a squatter [illegible] year received
"on [illegible]."

but the Inspector's report is very vague in Mr. Gamble.

The questions to be decided are:-

1st. Is the minor reservation [illegible] in this connection [illegible] Homestead Inspector [illegible], in his report, states that there are only five acres of timber on this quarter-section.

2nd. Is Mr. Gamble [illegible] necessary for the S.E.¼ of 22 as a squatter?

3rd. In the event of Mr. Gamble [illegible] as above set out, is he [illegible] to acquire a portion of the S.E.¼ of 27 in order to bring up his homestead to the full pre-emption area of 160 acres.

Attached hereto is a map etc of Section 27 [illegible] a copy of the treatment plan.

Dear Sir/ Re Hudsons Bay Lands

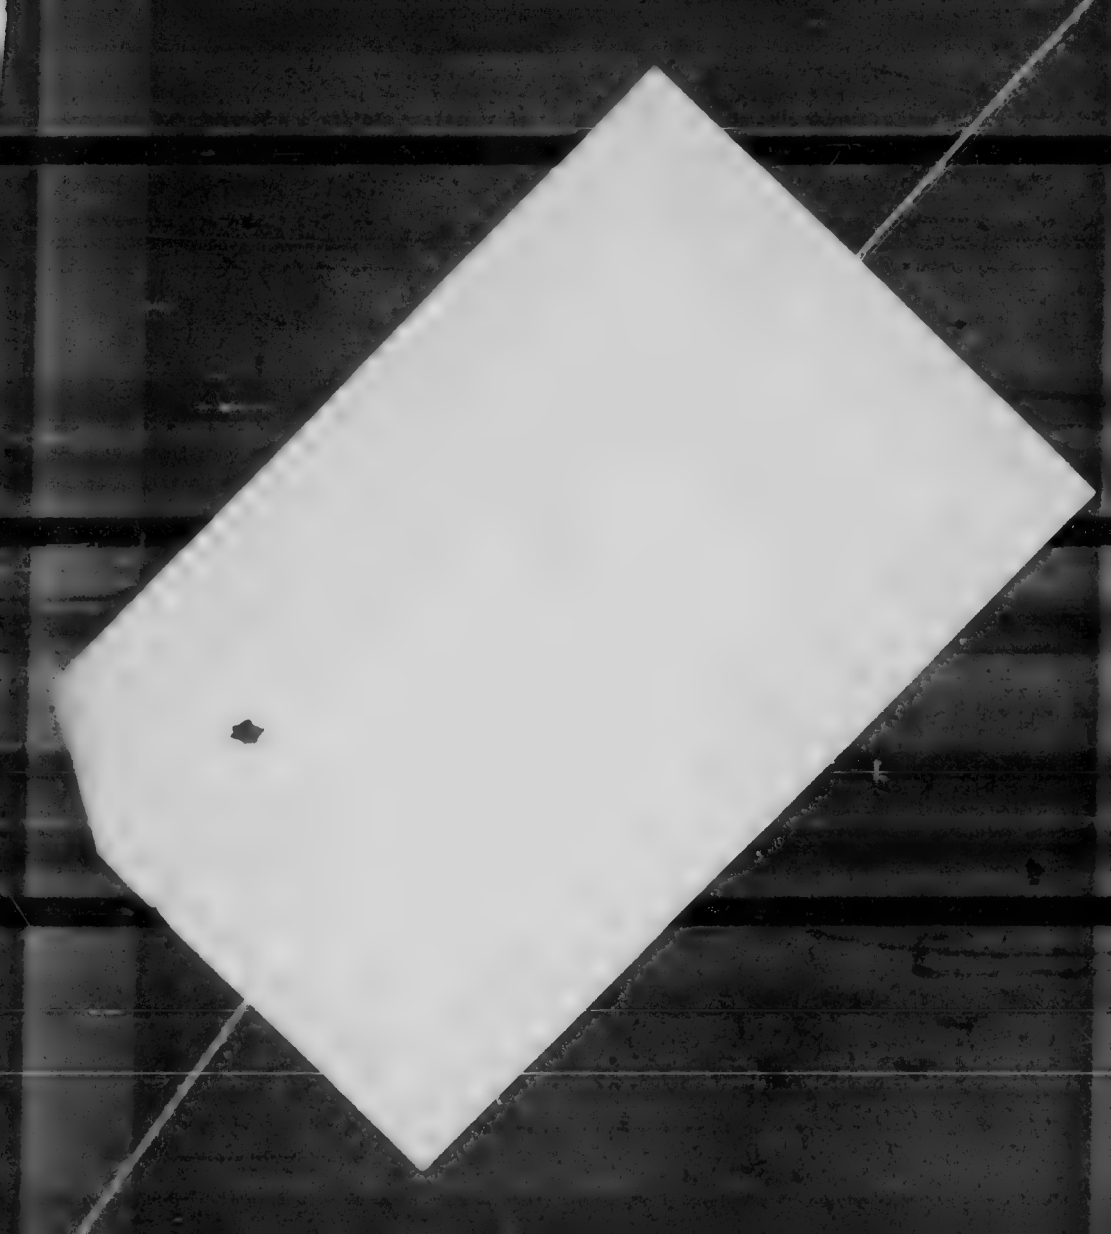

Are there any of these Lands North of the North Branch of the Saskatchewan River? The "Fertile Belt" is defined as the Land south of the River or as lying below said River. I ask this because a person of mine tells me that he has squatted on what he calls to be section 26 Township 57 Range 8 west of the 5th Meridian. If so section is H.B. Lands. as to 3/4 s of it is making this time and outlay.

and we now write to you to enquire if it would be possible for you, on the strength of the statutory declaration forwarded to you by the Dominion Lands office, to write to the Registrar of the Land Titles office here, and authorise him to make, the necessary correction in the Certificate of Title. If it is possible for you to do this, we would consider it a considerable favour; and whether you can do so or not, we should be glad if you would oblige us with a reply at your earliest convenience.

The Secretary,

Sir,

Butz to Can. Mtge. Assn.
N.W. 28-57-4-4.

We are presently in course of carrying through a loan transaction for Mr. Charles S. Butz, of the Post Office of Dewberry, Alberta, upon the security of the above described land. Unfortunately we find our further progress barred, and the completion of the loan delayed, by a discrepancy between the name of the registered owner of the lands and the name of the mortgagor; the name in the certificate of title being "Charles Butts", whereas the correct name is that given in the mortgage, namely, " Charles S. Butz".

We are informed by the chief office of the Dominion Lands Office here, that that office, on 8th January last, sent to you a statutory declaration with respect to this man's name, and that they received a reply from you, dated January 23rd, acknowledging receipt of statutory declaration, and saying that the patent would be issued in due course. The patent was issued, but for some reason or other the statutory declaration was not given effect to.

To have the necessary correction made according to the usual procedure in such cases here would mean considerable delay, and /

Sir:

Re Butz to Canadian Mortgage Ass'n.

N. W. 28 - 53 - 4 W.4.

Your reference number 1445385.

On the 20th of June last, we wrote to you intimating that one Charles S. Butz of the Post office of Dewberry in this Province, was negotiating a loan upon his ¼ section, for which patent was issued from your office in January of the present year. We informed you that the Mortgagor signed the instrument as Charles Samuel Butz, whether patent was issued to him in the name of Charles Butts. Your reply to our letter, which is dated the 2nd of July, intimated that the Statutory Declaration Butz forwarded to your Department stated his full and correct name as Charles Butts. We are of the opinion however, that this may be a mistake, as on searching in the Dominion Land Office in Edmonton, we find that in your letter of the 23rd of January to Charles Butz in c/o of the Dominion Land Office Edmonton, you state that patent had been issued to him on that date, and as he is addressed by you in your letter, as Butz, we presume

that this must have been the name given by him in the Statut-
ory Declaration, and that the name was not corrected in the
patent as issued to him, so that it stood as Charles Butts.

We would accordingly be obliged if you would let us know upon the production of what material your Department would be disposed to cancel the patent and direct the name to be changed to Charles Butz. As this matter has been pending some considerable time, we would be obliged for a letter in reply, at an early date.

On receipt of your letter of [illegible] September [illegible]th inst. that in order to secure cancellation of the patent for the above land, issued in the name of Charles Potts, and the issue of a new one in the name of Charles Samuel Potts, it would be necessary to surrender the duplicate certificate of title to the Registrar, to have him return the patent to your Department, and also to file a new declaration setting forth the full and correct spelling of the patentee's name, we communicated with Mr. Pitt and duly received the statutory declaration from him, which we now enclose herewith, together with the accepted cheque payable to your Ottawa for the sum of $10.00, and trust that your Department will issue a new patent in the proper name, for the land above-mentioned, as soon as possible. We have today instructed the Registrar of the Land Titles Office at Edmonton to return the patent to your Department in accordance with the terms of your letter of the 17th instant.

C.S. Butz, Your File No.1445385.

We are in receipt of your favor of the 3rd. inst. intimating that you had not yet received the Patent from the Registrar at Edmonton. We however wrote to the Registrar here on the 30th. of September last enclosing a copy of your letter of the 15th. of September, and we requested him to forward the Patent to the Department of the Interior, in accordance with the purport of your last mentioned letter.

On receipt of the letter above referred to, the Registrar verbally informed a representative of our office that his usual practice was to await a request from the Department of the Interior before returning Patents, and we have no doubt that on receipt of such request from your Department, the Registrar will immediately return the Patent concerned in this case.

Re Your File 81[illegible].
Re N. [illegible] Lo-[illegible]-1.

In reference to yours of November 14th I do not think that under the facts which exist in this case you would care to make the proposed correction and for your information will say that there being executions on file here against this man in both the name in which the patent was issued and in the name he now proposes to have it corrected, the rights of third parties have intervened, these executions have been registered directly against these lands and the proposed change cannot very well be made. In any case it is questionable to my mind if your Department is the proper place to effect a change in the name of a title after the patent has been forwarded to this office in the usual manner and the Certificate of Title duly issued therefor. Were it not for the fact that this office is possessed of the knowledge that this man does under both names the rights of certain execution creditors would have been defeated. Under all the circumstances and with a knowledge of them I am anxious to know if you now care to make the change.

Your obedient servant,

Registrar.

Gentlemen:

I am writing this letter to call the attention of the Department in the matter of my Homestead which is the SE. ¼ Sec. 28. T. 10 S. R. 40 E. W. of W. M. I filed on this land in this office on Nov. 5th 1903 and at that time expected to be able to go on it in the regular time. However through the duliness of trade after the panic of 1907 I was unable to do so. I have always been ready and willing to do the work on my claim as required by law, and have been about to do so. I have offered for sale my property in Baker City, Oregon, and have had it in readiness to move on the claim at any time. I expected to sell out and move on to the claim in April, but owing to the financial depression, prices of property are not in demand. Owing to this I was unable to make the improvements I hoped to. I had hoped to have a house on the claim and have my wife and family and a young lady there and have my wife prove up on the land when at that time I was unable to do so. I have made a home for my family, & have a home, and pay them

Sir:-

I beg to acknowledge the receipt of your letter of the 6th instant, in the matter of your homestead, the south east quarter of section 24, township 10, range 14, west of the fourth meridian; and in reply to say that the regulations provide that a homesteader may abandon his homestead in favour of his brother if the latter is the subject of conciliation proceedings.

It appears that conciliation proceedings are pending before your homestead, and the land of section [illegible], at Lethbridge, was instructed on the 6th instant that a patent may issue to them upon proof of settlement being made, but will not issue until the 1st of June next.

It will be seen from the above that the privilege of abandoning your homestead in favour of your brother cannot be granted.

Dear Sir:

Re: Unpatented Lands

We have been examining a number of outstanding seed grain and relief accounts administered by this Department and find that in many cases our security is represented by lands that were transferred to your province with the transfer of the resources in 1930. In some cases there were entrants on the land at that time and in others there was no entry.

We are anxious to make some settlement on these accounts and in order to obtain an understanding of what might be done it will be necessary to get an up-to-date report on the present status of the land. I am listing below several parcels of land against which we have charges and it will be appreciated if you could let us have a report.

Re: Account of Richard Henry Bennett
S.E. 28 & S.E. 20-10-14-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1911, 1912, 1915, 1919 and 1920 seed grain, fodder and relief amounting to $1,414.47 were advanced to Richard Henry Bennett on the security of the above mentioned land. Payments of $158.95 and $430.00 were received in 1915 and 1917, respectively, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 896.40	$ 1,931.72	$ 2,828.12

Patent was issued in the name of Richard Henry Bennett for the S.E. 20-10-14-W4 on the 1st of April 1908, later becoming subject to the liens. The S.E. 28-10-14-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 17th of June 1927 and the land is still unalienated Crown Land held in the right of the Province.

In 1929 the S.E. 20-10-14-W4 became subject to forfeiture proceedings for non payment of arrears of taxes and title was acquired by the Municipal District of Eureka No. 14.

The Municipality has been unable to dispose of the S.E. 20-10-14-W4 by sale and it is presently included in a grazing lease issued in the name of J. Bonette of Taber, Alberta. There is an accumulation of $716.74 arrears of taxes outstanding against this quarter section. The S.E. 28-10-14-W4 is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is presently held under grazing lease No. 13270. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

I have to return herewith letter of the 3rd March last, from Mr. [illegible] Fielders, of Edmonton, applying to purchase the surface rights of the S.E.¼ of Section 21, Township 1, W., [illegible], 4th Meridian, being part of the Athabasca River, containing 81 acres, and adjoining fractional N.E.¼ Lot on the River, which Mr. Fielders was allowed to purchase (for surface and timber rights) and Mr. Fielders states he intended to purchase in the first place.

The land applied for comprises the [illegible] of the S.W.¼ of Section 21, Township 1, Range 22, West 4th Meridian, being part of the Athabasca River, containing about 81 acres, and is described of according to the records of the Dominion Lands Office, Edmonton, as Dominion Lands.

It appears the fractional N.E.¼ of the said Section, containing about 160 acres of land was sold on the 1st December, 1906, to Mr. Fielders, who passed application, as to all lands at $10.00 per acre, upon which $200.00 was paid, and.

It appears that, subsequently, the Land Commissioner at Edmonton forwarded the declaration of Mr. William Fiddes of Athabasca Landing, respecting his residence and improvements on the fractional S.W.¼ of Section 21, Township 60, Range 22, West 4th Meridian, which he de-

31st October, 1910.

Sir,

I take the liberty of writing to you for the purpose of asking for information I have for a long time wished to procure.

I have a house situated on a fraction : N.W. corner of the S.W. 1/4 of Section 21, Township 66, Range 22, West of the 4th Meridian.

This fraction situated on the bank of River Athabasca certainly only for sale. There are there some old shacks only erected on the ancient [illegible] around the river', which are hardly still habitable.

Some years ago one has probably made application for the allowed purpose of mining ; coal mine in order to acquire the said fraction, but there has never been any work done for the reason that there is no coal mine.

This fraction does not belong to any town-stead, being situated on one side by a road allowance, and on the other by the River.

I would like very much to know if this fraction is taken up, or whether, if not taken up, my house has any right to acquire this piece of land.

I ask this of your kindness, and in the expectation of a really stylish to the information required, I have the honour, &c.,&c.,

Re: P.A.1.-11-13-14

This Department has in account with you for the sum of [illegible] grain to Ernest C.L. McComb in 1919 and 1920. We are anxious to bring our records up-to-date if possible to [illegible] outstanding account. It would assist us greatly [illegible] the attached form.

Re: Account of [illegible] C.L. McComb
S.E. 12-11-13-W4

The matter of an application for an adjustment of Implement Loss outstanding against the above mentioned party is referred to you, and investigation I have now in addition report as follows:

In 1919 and 1920 seed grain amounting to $416.00 was advanced to arrest C.L. McComb on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 416.50	$ 927.99	$ 1,344.49

Patent was issued in the name of Cecil [illegible] McComb for the S.E. 12-11-13- 4 on the 10th of July 1919, subject to the 1919 lien. The S.E. 12-11-13-4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 3rd of January 1925, and the land is still unalienated Crown Land held in the right of the Province.

In 1930 the S.E. 12-11-13- 4 became subject to [illegible] proceedings for non-payment of [illegible] and title was obtained by the Municipal District of Eureka No. 14.

The Municipality has been unable to dispose of the land by sale and it is presently included in a grazing lease issued in the name of Mr. M. Nelson, while the S.E. 4 is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, as it still vacant and no longer being operated. It is not assessed for any value or subject to taxation. As such the land no longer forms any security of value for our item.

Under the circumstances it is recommended that the indebtedness be cancelled and the item closed.

23rd Nov. 1916.

Hon. Frank Oliver.

Dear Sir,

I write on behalf of John Uriyshuk who
squatted on the S.E.qr of Sec. 11, Range 15, Township
58, W. of 4 M., in the year 1911. The said John
Uri[illegible] has a good house and barn, erected, and will
if space [illegible] will be moved [illegible]
this can only be done if witnesses to prove that he was
the first man who lived on that quarter section. If the
old law pertaining to squatters rights the land is also
not fully [illegible] squatted on the same quarter the
following year, and only 7 acres broke did not entitle
him [illegible] the land in question. I understand it
was through the interpreter for Mr. Whig, [illegible]
[illegible] at that time, that the patent was procured.
I believe in justice for every man and this man's [illegible]
[illegible] considered. He has [illegible] and
[illegible] years improving that farm. Either
the removal of the improvements [illegible] to compensate John
Uriyshuk if the patent cannot be granted. At the very
least figure his improvements are worth $600.

Please let us know what can be done in the
matter. I am,

Yours truly,

Sgd. Walter A. Lamerlaw.

Minister of the Interior,

Memorandum:

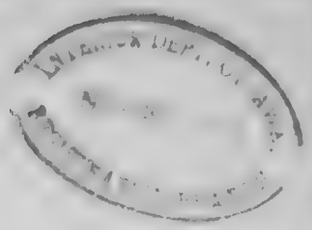

Mr. Storrs,

I wish that you would have a careful search made in order to determine if there is any record of a claim made by one John Uriyenuk as squatter on the north-west quarter of section 11, township 5, range 22, west of the 4th meridian.

[illegible] do not understand why subsequent to that date, after the receipt from the School Lands Branch of the letters asking for a further investigation of Jarochuk's claim, he made no mention of the fact that he had already recommended Ungurians application for patent. He were, of course, not aware of there being two separate files in the matter, that the issue of patent had already been recommended.

It will be seen from the foregoing that Jarchuk's claim was at first [illegible] that when the very strong recommendation [illegible] Inspector White was disregarded [illegible] that Ungurian was the rightful claimant [illegible] added to the evidence already [illegible] further evidence submitted by Jarochuk [illegible] was referred to [illegible] the recommendation of Inspector White and Agent Hagerman, owing the [illegible] was advised by letter of 21st February [illegible] that the claim of Jarochuk was again strongly urged by [illegible] Stewart the Agent was instructed to make a further investigation; that in the meantime [illegible] has been granted to Ungurian and [illegible] issued in favour of the [illegible]

The evidence is so conflicting, [illegible] statement is based on the merits of the case, [illegible] Inspector White being quite convinced that Ungurian is the rightful claimant, and Mr Stewart does not become equally [illegible] that Jarochuk should have [illegible] Stewart thinks that Mr White was misinformed by his interpreter.

File 1449216

A.F.H.

DEPARTMENT OF THE INTERIOR,

Dominion Lands Branch,

Ottawa, 11th December, 19[illegible]

SIR:

In connection with the application of Mr. Peter A. Pinwoodie on behalf of John Kryczuk who protests against the granting of homestead entry to Wasyl Ungerian for the S.W. 1/4 of Section 4[illegible], and for which patent has been issued in Ungerian's favour, I beg to report as follows:-

On the 14th October, 1914, the agent of Dominion Lands, Edmonton forwarded one a copy of a declaration by Wasyl Ungerian, or as he is now styled, Ungarian, in regard to the improvements on this quarter-section, and a copy of the letter to the Homestead Inspector requesting him to visit this land and report. In April, 1915, a letter was received here from Mr. Hoon or Ivan, Zurechuk, or as he is styled in Mr. Pinwoodie's letter, John Kryczuk, in regard to his claim to homestead entry for the same quarter-section. He was informed in reply that he must file here evidence in the form of a Statutory declaration corroborated by

J. W. Greenway, Esq.,

Commissioner of Dominion Lands,

OTTAWA.

by the evidence of two other persons.

On the 14th June, 1915, the Agent submitted the report of Homestead Inspector White enclosing a declaration by Yuzyl Ungurian to the effect that he squatted on this quarter-section in September, 1914, built a house, stable, dug a well, and had two acres cultivated. The Inspector recommended that he be granted entry for this land. In October following a further declaration of Mr. Ivan Jarechuk was also filed, according to which he settled on the land in October, 1911 and improved the same and had resided thereon continuously from that date.

As it appeared from the declaration that Jarechuk settled a year prior to Mr. Ungurian, it was decided to grant him homestead entry and the Agent was so advised by letter of the 10th November, 1915.

When Mr. White, Homestead Inspector, learned of the ruling in favour of Jarechuk, he at once wrote to the Department submitting that in his opinion Ungurian was the one entitled to the entry, and not Jarechuk, stating that he had made very careful inquiries and that he was assured by the settlers that Ungurian was the

first

first squatter and the one entitled to entry.

He stated that Mr. Mernisky who was employed by the Dominion Lands Office in 1903 to investigate squatters claims in that township, also stated that Ungurian was the rightful claimant, and that at the time he visited the Township Jarechuk was living on Section 15.

In view of the conflicting claims, and of Mr. White's report, it was decided to obtain further evidence from the settlers in the vicinity and the Agent was so instructed. He subsequently filed here on the 12th September, 1906, a number of declarations taken from settlers in the vicinity to the effect that Ungurian was the first settler on this quarter-section, and that at that time Jarechuk claimed the South East quarter of this section and not the North West quarter.

In view of these declarations and of the report of Homestead Inspector White, the Acting Deputy Minister ruled that Wasyl Ungurian should be granted the entry asked for but that before doing so twenty days notice should be given to Ivan Jarechuk. The Agent was notified accordingly by letter of the 17th October, 1906, but Jarechuk hearing of the ruling in favour of Ungurian he

he filed here through the Agent a number of declarations in support of his claim. These declarations directly contradicted those filed in favour of Ungarian. The matter was again considered, and the Commissioner ruled that we must stand by the report of Inspector White. The Agent was so advised by letter of the ~~10th~~ 21st February ~~inst~~ 1907.

On the 16th September, 1907, however, the Sub-Agent of Dominion Lands at Whiteford wrote to the Department on behalf of Jarock k, stating that he was personally acquainted with the facts of the case, and he was sure that Homestead Inspector White had been misinformed in the matter by his interpreter, and asked that the case be further investigated. A copy of Mr. Stewart's letter was then sent to the Agent of Dominion Lands, Edmonton, for submission to Mr. White, with the request that he would report whether he found anything in it to lead him to modify or alter his previous recommendation. The Agents' attention has several times been called to the matter, but nothing further has been done.

I see from this file, that the Agent's recommendation for patent in favour of Wasyl Ungarian is dated the 24th August, 1907, and I

~~therefore~~

Sir,

2033395 O.C.

January 14th, 1910.

1540-09.

Sir:

I have the honour to acknowledge the receipt of your letter of the 24th of November last, File Number 1449816 in which you stated that the patent for the N.W. ¼ 11-58-15- West 4th Meridian issued in favour of Wasyl Ungurian is to be cancelled if the matter can be settled amicably, and if I should consider that proceedings can be legally taken to cancel that document in view of the execution by the Patentee of a mortgage which has been registered. You submit the matter for my consideration and for such action as I think may be legally taken.

In reply I beg to point out that if the matter can be amicably settled there are two courses which may be taken for this purpose namely, the Patentee may surrender the lands to the Crown subject to the mortgage and then if your Department so decides the Crown may convey the same to John Jarrechuck subject to the mortgage, or the Patentee may assign the lands direct to the latter also subject to the mortgage. If you decide on either of these courses I presume your Department will itself endeavour to make arrangements with those interested accordingly and in the meantime I shall not take any action without further instructions from you. I may add that the fact of the mortgage being executed and registered against the land will not preclude the Crown from taking proceedings in the Court to cancel the patent. If the patent is cancelled the mortgage can at the same time be discharged in so far as it affects the land in question.

I

2033395

I think it very questionable however whether, in view of the very deliberate enquiry and decision as to the rights of the rival claimants before the patent issued, you could succeed in having the patent cancelled unless by consent.

In any proceedings in the Court the Mortgagee should of course be made a party for this purpose.

I have the honour to be,

Your obedient servant,

E. L. Newcombe.

Deputy Minister of Justice.

The Secretary,

Department of the Interior.

Department of the Interior.
Canada

M.T. 25th January, 1910.

MEMORANDUM:-

You have asked my opinion in this case.

There are two claimants to the North West 1/4 of Section 11, Township 58, Range 15, West of the 4th Meridian:-Ivan Oneczuk, who first squatted on it, and Wasyl Ungurian, who obtained the entry.

The Department was misled by the reports of the Homestead Inspectors, and granted entry to Ungurian, who, in time, got patent, afterwards mortgaging the land for $150.00. He clearly misrepresented the facts; and, moreover, did not pay for Oneczuk's improvements.

If it were possible, we should cancel Ungurian's and give the entry to Oneczuk. This course, however, is not feasible, owing to the execution of the mortgage, and we should endeavour to settle the difficulty amicably.

The case was laid before the Minister in Edmonton, and he suggested an equal division; but Oneczuk wants not only the East 1/2 of the 1/4 section upon which he has been living, but 80 acres additional, of which the Minister did not approve.

The

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

The Justice Department suggest the surrender of the land to the Crown by the Patentee, and the conveyance of it to Oneczuk, or the direct conveyance to Oneczuk by Ungurian. But it is extremely unlikely that the Patentee would agree to this. The Justice is doubtful whether the Department could succeed in getting the patent set aside by the Court, in view of the deliberate enquiry and decision preceding the issue.

My view is that Ungurian should be allowed to retain the land, and that Oneczuk be offered a 1/4 section elsewhere with credit for all residence and improvements already done. Even then he would be put to the expense of removing his buildings.

There is one point which would count against the claim of Oneczuk, and that is that although he may have been a squatter, there is nothing to show that he was in occupation at the time of survey.

Respectfully submitted,

T. Aubrey Dixon

Referring to the Homestead Inspector's report underneath and the letter received here on behalf of Mr. Onerbuk, you will see that he refuses to take other land unless he can be given the right to select a quarter section of school lands in the vicinity.

I know that this is not a desirable action and it is likely that we can secure that, as you will observe, this land has been in occupation for a long time and, if there is any possibility of doing anything in the way of meeting the wishes, it would be advisable to meet them in one of it and try to have the matter closed up.

Will you kindly give the matter your careful consideration and let me know whether there is any possibility of doing what he asks.

...ould it be possible to reward I. Smoomuk as a squatter before survey, and as such to give him the privilege of selecting a quarter-section of school land, in lieu of the parcel first mentioned.

The north west 1/4 of section 11, above referred to, was first granted as a homestead to ... as the evidence submitted showed that he settled in October 1901.

A report was afterwards made by Inspector Mills who stated that it was proved that I. Smoomuk was the first squatter and rightful claimant. On this report the first decision was rescinded, and right of entry was granted to Smoomuk. Sub-Agent Stewart at Watford wrote, claiming that Inspector Mills was misled by his interpreter, and that Smoomuk had settled after the year before Inspection.

The evidence is very conflicting but Mr. Buckley thinks it is at least pretty certain that Smoomuk was the first settler after on the west half of the south west 1/4 of this section.

Inspector Daly received the patent and afterwards purchased the land for $150.00.

The Minister recently authorized an offer to be

J. L. Brownsey, Esq.,
Commissioner, Dominion Lands,
Winnipeg.

made to Oneczuk of another quarter-section in exchange for his rights as a squatter. Oneczuk refuses this offer unless he is allowed to select a quarter-section of School Land in the vicinity; otherwise he would have to go a great distance to get any good land.

Mr. [illegible] does not see how this could be allowed, unless it is shown that the land had been settled on prior to survey.

Inspector Rose says: As Mr. Oneczuk was a squatter before survey on this School Land, he thinks he should have the privilege of selecting another such quarter.

The land in question, the [illegible] of section 11, was surveyed in 1924, and it appears that Oneczuk did not make any declaration before the surveyor, but there is nevertheless other evidence on file to show that he was in occupation before survey.

I would refer you to the declarations which he submitted with his letter on the 7th of November, 1936, from six persons (varied) on School Lands File 3467. These six persons set forth very intimately that Mr. Oneczuk, hereinbefore mentioned, was a squatter on the South part 1/4 of section 11, in 1921, prior to survey.

I would also refer you to the report of Inspector Rose, dated the 17th of February, 1930, on the same file (varied) covering the declarations from four parties, also outlining reference by Mr. Oneczuk since 1924.

It is possible that the Act will not permit of School Land being withdrawn from the endowment for the

purpose

purpose of being selected by Mr. Oneczuk, but I submit the matter for your consideration.

Oneczuk is still in residence on the South-west ¼ of Section 11, which has been patented to Ukrainian. Oneczuk refuses to get off unless he is allowed to select another quarter-section of School Lands in the vicinity.

If you decide against his present demand, the question then arises what is to be done with Oneczuk. It would scarcely be proper to take any steps to remove him from the land under the circumstances, and the only alternative I can see is to renew the offer to give him an available quarter-section elsewhere.

Respectfully submitted,

OTTAWA 21st July, 1924.

Sir,

Re T.V.A. [illegible] 4th W.

I am to acknowledge your letter of the 17th instant, in the matter of your desire to be permitted to transfer your homestead entry, with credit for duties performed, to another quarter-section, preferably the South-east quarter of Section [illegible] in the same township, owing to the inferior quality of your present homestead.

In this connection I am to say that it is contrary to the practice of the Department, except in the case of returned soldiers who have on military service completed their residence duties, to consider applications for transfer as suggested, in regard to which you have already been advised.

In your case there is no immediate prospect of the South-east quarter of Section [illegible], Township [illegible], Range 13, West of the 4th Meridian, being made available for settlement. The land stands as a homestead in the name of the late Mrs. Marafta Dodoruk and the duties have been completed. The Department is prepared to issue patent either in the name of the deceased or in that of her personal representative on receipt of Letters of Administration, which matter is now under consideration.

It is observed that you quote the case of Ewan Jurovniuk of the South-east quarter of Section 12, Township [illegible], Range 13, West of the 4th Meridian as a precedent for a transfer but on looking up the papers in connection with this case it is learned that the facts in connection therewith are in no way parallel to your own. Mr. Jurovniuk was at one time a squatter on another quarter-section and whereas the Department was unable to recognize his claim to such land, it was decided to allow him credit for the duties performed thereon in connection with any other quarter-section for which he might obtain entry. In your case there would appear to be no claim to entitle you to special consideration, and if you do not intend to make application for patent, your proper course is to abandon your entry and vacate.

Your obedient servant,
